

Lego WEDO 2.0

Sponsored by Boylston Parks & Recreation

LEGO Robotics WeDo 2.0 teaches kids programming skills while making science come to life! The newly designed software and LEGO building kits allows kids to make untethered, free-roaming robots capable of completing structured and open ended tasks. Build roaming bots that use sensors to know when to stop or create a shake table to test house designs to withstand an earthquake.

You will explore fun new programming options with WeDo 2.0 and take home your own new minifigure!

Open to students entering grades 2-6

When: July 10th – July 14th

Time: 9am – 4pm

Where: Boylston Recreation Department

Cost: \$325.00
